

MEMO

MEETINGS ARE A NECESSARY PART OF EVERY COMPANY'S SUCCESS

So, look around and listen...

Your phones are *ringing*, email is *buzzing*, people are *talking* and there are *knocks* at your door...

Now picture this...

Peace and quiet, *no distractions* and no interruptions, simply a serene, *relaxed environment*, just minutes from your office...

Where will your meeting be more successful?

Edith Macy Conference Center

Come and experience the conference center difference!
